LINN

Mrs. Geo. W. Gardner, aged 69
years, of Bucklin died at her
home in Bucklin last Monday.
She is survived by her husband,
two sons and two daughters.

John C. Moore of Brookfield
died at the home of his brother
W. J. Moore last Thursday. He
was 49 years of age.

About fifty new seats were
hailed to the school building in
east Linneus last Thursday. It
was necessary on account of the
rapid growth of the school.

Floyd Newman's cottage was
destroyed by fire in Marceline
last Tuesday morning and only a
few articles being saved. Mr.
Newman broke a window out in
order to save the children.

Mrs. E. A. Corey died at her
home in Linneus last Thursday
morning. She was 41 years of
age and is survived by her hus-
band, two children and a sister
and mother.

The electric lights at Laclede
were turned on last Monday
evening. The lights would have
been ready before this time if it
had not been for the delay of
material, which was to be used
in the completing of the lights.

The farm house on Dr. J. W.
Lane's farm near Linneus burn-
ed last Monday night. It is be-
lieved to have been the work of
someone who had a grudge
against the Doctor. The house
and farm had been rented, but
the renter had not yet moved his
family into it. Since Dr. Lane
went to Texas some time ago,
the barn on the place burned,
burning more than \$1000 worth
of sheep for R. E. Botts.

Prosecuting Attorney Alpha
Burns caused the arrest of a man
by the name of Wm. Wilson, at
Marceline, on a charge of boot-
legging. He claimed to be in
the employ of the Theodore
Hamm Brewing Co., of St. Paul,
Minn., and that he did not own
the stock of goods. The officers
failed to find a government li-
cense and this fact will likely re-
sult in Wilson being turned over
to Federal officers for prosecu-
tion. Wilson was arraigned be-
fore Justice J. P. Kendrick and
his bond fixed at \$500. The
prosecuting attorney decided that
this was a case where a
preliminary was unnecessary
and he got out a capias bringing
it before the next term of cir-
cuit court.

Saved Many From Death

W. L. Mock of Mock, Ark.,
believes he has saved many lives
in his 25 years of experience in
the drug business. "What I al-
ways like to do," he writes, "is
to recommend Dr. King's New
Discovery for weak, sore lungs,
hard colds, hoarseness, obstinate
coughs, la grippe, croup, asthma
or other bronchial affection, for
I feel sure that a number of my
neighbors are alive and well to-
day because they took my ad-
vice to use it. I honestly believe
its the best throat and lung me-
dicine that's made." Easy to
prove he's right. Get a trial
bottle free or regular 50c or

Keytesville 19; Hale 12

That looks pretty bad consider-
ing the number of games Hale
has won this season. But the
Keytesville basket ball team is
one of the best in North Mis-
souri, and we are expecting a
great deal of our home team to
beat them. At the end of the
first half the score was 8 to 7 in
favor of Keytesville, and it did
not change very much until near
the end of the game when the
Keytesville team scored very
rapidly.

The Keytesville team done ex-
cellent in throwing the goal, but
did not display any better team
work than the Hale team. "Bill"
Hanners, on whom Hale can so
often rely upon throwing goals
fell down wonderfully in this
respect. Monroe was replaced
by Simpson, and we believe this
was a bad change. Simpson
would make a good foot ball
player, but he did not seem to
play as good a game as Monroe
does.

The Hale team did not play as
good a game as they usually do.
They fouled quite frequently,
and here was where Keytesville
bested them, as they were good
goal throwers.—Hale Leader.
